The Washington Center suggests that students' budget \$150.00 per week for living expenses. Note that actual expenses will range relative to the student's ability to manage money and their approach to experiencing the nation's capital. **For more information, go to [TWC Florida](#).** It is also recommended that students submit their applications to TWC two weeks before the priority deadlines.

***Florida & TWC Housing Scholarships:** Undergraduate USF students will receive a \$9,000 scholarship for the Spring, Summer, and Fall semesters – \$1,000 of this is contingent upon staying in TWC housing. If you choose a virtual option, you will only receive \$8,000. To receive the funding, students must register for at least one (1) credit hour at USF for the experience. The Florida Scholarship and TWC Virtual Incentive does not come to you directly; they are deducted from the amount each student owes TWC.

****USF Tuition:** Please contact your appropriate campus-specific liaison to discuss credit arrangements and course enrollment. Students are still required to pay USF for credits taken.
