Notes:
Extended Washes (Groups 6, 7, & 8) are focused to areas J, K, & L in front of the stairs. If the curtain is pulled to mask the stairs, refrain from using these washes.
Channels labeled "Specials" (111 & 121) or "Front Diagonal" (101-103) may be re-focused, barrel-changed, gelled or patterned for specific Productions. Please refrain from altering the Rep Wash Lighting without permission from the Technical Director.
Lights focused on Areas J, K, L (Ch. 51-53) & the Stairs (81-83 // 91-92) may be repurposed if the black curtain is used to mask those areas.
Any alterations to the Rep Plot including Specials must be approved by the Technical Director, documented and restored back to Rep after Production. Any Lights/Cables/Accessories added to the Plot must be struck upon completion.
