### **University of South Florida Recognized for 16 Top Degree Programs in the U.S.**

Student-focused publication releases the best programs for 2020 on Intelligent.com.

**[Seattle, Washington]** – University of South Florida has been awarded top ranking status for multiple degree programs by Intelligent.com. University of South Florida was listed amongst hundreds of other competing institutions across the nation. The student-focused comprehensive research guide is based on an assessment of 1,604 accredited colleges and universities. Each program is evaluated based on curriculum quality, graduation rate, reputation, and post-graduate employment.

The 2020 rankings are calculated through a unique scoring system which includes student engagement, potential return on investment, and leading third-party evaluations. Intelligent.com analyzed hundreds of schools with comparable programs on a scale of 0 to 100, with University of South Florida making it to the final list for 16 Degree Programs. The methodology uses an algorithm that collects and analyzes multiple rankings into one score to easily compare each university's degree program. Please visit the listed sources below to access each program's complete ranking.
