

CURRICULUM VITAE

Jaimie Payne Anderson, MS, CCC-SLP, BC-ANCDS**Speech-Language Pathologist**

Phone: (407) 973-9204

E-mail: jaimieanderson18@gmail.com

EDUCATION

University of Texas Health Science Center at Houston- <i>Houston, Texas</i>	08/2016- 05/2017
Non-Degree Seeking Student, Completed 7 credits: Epidemiology, Biostatistics	

Florida State University- <i>Tallahassee, Florida</i>	08/2011- 08/2013
Master of Science, Communication Science and Disorders	

Florida State University- <i>Tallahassee, Florida</i>	08/2007- 04/2011
Bachelor of Science, Communication Science and Disorders with Honors, Summa Cum Laude	
Honor's Thesis: College Students' Perceptions of Autism Spectrum Disorders	

CERTIFICATION & LICENSURE

Academy of Neurologic Communication Disorders and Sciences, Board Certified	11/19/2020
--	------------

American Speech-Language Hearing Association	
Certificate of Clinical Competence in Speech-Language Pathology # 14040978	2015-present

Florida Speech-Language Pathology License #SA 17255	
2019- present	

Texas Speech-Language Pathology License #109634	
2013-2019	

CLINICAL CERTIFICATIONS

Lee Silverman Voice Treatment (LSVT) LOUD Training and Certification Workshop	12/2019
Modified Barium Swallow Impairment Profile (MBSImp)	03/2017
McNeil Dysphagia Therapy Program (MDTP)	05/2015

PROFESSIONAL EXPERIENCE

Center for Swallowing Disorders, University of South Florida

06/2021-present

Speech-Language Pathologist & Clinical Instructor

- Evaluate adults with complex swallowing disorders using instrumental evaluations including Modified Barium Swallow Studies and Fiberoendoscopic Evaluation of Swallowing
- Provide evidence-based rehabilitation using advanced tools including Surface Electromyography, Manometry, Biofeedback, and McNeil Dysphagia Therapy Program
- Assess and treat motor speech disorders from a variety of neurodegenerative diseases
- Administer laryngeal videostroboscopy for evaluation and treatment of voice disorders
- Provide Lee Silverman Voice Treatment to patients with Parkinson's disease

Cleveland Clinic Florida, Department of Otolaryngology- Weston, Florida

10/2019- May/2021

Speech-Language Pathologist

Clinical

- Evaluated and treated adults with a variety of neurogenic cognitive-communication disorders in the outpatient clinic
- Collaborated with Tobii, PRC, & Forbes for speech-generating devices for a variety of patients including amyotrophic lateral sclerosis, traumatic brain injury, & cerebral palsy
- Worked in partnership with neurology, neuropsychology, and physical therapy to establish a Multidisciplinary Parkinson's Clinic
- Administered standardized outpatient modified barium swallow studies using MBSimp, Dynamic Imaging Grade of Swallowing Toxicity, EAT-10, Functional Oral Intake Scale, & International Dysphagia Diet Standardization Initiative
- Prescribed intensive dysphagia rehabilitation including Expiratory Muscle Strength Training, McNeil Dysphagia Therapy Program, respiratory-swallow coordination training, and other evidence-based swallowing exercises
- Assessed and treated communication and swallowing disorders for a variety of critically ill patients in acute care
- Trained in Fiberoptic Endoscopic Evaluation of Swallowing in outpatient and inpatient settings

Leadership & Administration

- Led in a number of quality improvement projects to:
 - Increased patient caseload via scheduling optimization in collaboration with administration
 - Streamlined billing and documentation procedures in the electronic health record (EPIC)
 - Improved patient accessibility by updating the website in collaboration with the marketing department
- Updated and created new policies and procedures for speech-language pathology department
- Established and wrote new clinical competencies for staff training and onboarding
- Reviewed graduate student resumes, interview potential candidates & supervise students during semester externship
- Trained staff on HIPPA-compliant evolving tele-health procedures during the pandemic
- Established a research relationship with NOVA Southeastern with Dr. Jaqueline Hinkley

Memorial Regional Hospital, Department of Rehabilitation Services- Hollywood, Florida
Staff Relief Speech Language Pathologist I

9/2019-5/2020

- Evaluated and treated adults in a CARF accredited, Level I trauma center with 500+ beds
- Populations included: CVA, TBI, neurodegenerative disorders, cardiac issues, and respiratory disorders
- Collaborated with the rehabilitation team including PT and OT to provide multidisciplinary care to patients

University of Texas MD Anderson Cancer Center, Department of Head and Neck Surgery- Houston, TX

Senior Speech-Language Pathologist

12/2018-7/2019

Speech-Language Pathologist

01/2015-12/2018

Speech-Language Pathologist Clinical Fellow

11/2013-01/2015

Clinical

- Evaluated and treated speech, language, cognitive and swallowing disorders in the oncology population across the continuum of care in the acute, inpatient rehabilitation, and outpatient setting
- Administered standardized modified barium swallow studies under the training of Dr. Hutcheson
- Performed standardized speech-language and cognitive testing and enter data into the neurosurgery database
- Provided Functional Independent Measures at weekly inpatient rehabilitation rounds with physical therapy, occupational therapy, Physical Medicine Rehabilitation doctors, social work, dietician, and case management
- Participated in dysphagia “Boot Camp” rounds to discuss patient candidacy for intensive dysphagia therapies
- Collaborated with in-person and iPad interpreters, including Arabic, Spanish, and Mandarin

Leadership & Outreach

- Led the development and participation of speech-language pathology in intraoperative language mapping during awake craniotomies with neuropsychology and neurosurgery and collaborate on research
- Trained new employees on evaluation and treatment pathways for the acute and inpatient settings
- Led daily triage for inpatient and outpatient caseloads for full-time and PRN speech pathology staff
- Acted as a liaison for Simply Thick products for SLPs, dietician, kitchen, and patients
- Coordinated annual patient, family, and staff outreach events for Better Hearing and Speech Month
- Attended weekly multi-disciplinary lectures by neuroradiology, neuro-oncology, physical and medicine rehabilitation, social work, psychiatry, dental oncology, and head and neck surgery

AWARDS

ASHA Award for Continuing Education (5)

10/2015, 2/2017, 9/2017, 3/2019, 12/2019

PROFESSIONAL AFFILIATIONS & SERVICES

Tampa Bay Medical Speech Pathology Association (MESPA)

Member

2021-present

- Present, host and attend continuing education events quarterly with medical SLPs in Tampa Bay area

South Florida Medical Speech-Language Pathology Group

Founder, President

2019-present

- Established a multi-institutional group of SLPs and researchers in the South Florida region to discuss complex topics of swallowing disorders bi-monthly. Members include experts from University of Miami, Cleveland Clinic Florida, University of South Florida, Memorial Regional Hospital, and Phil Smith Neuroscience Institute

Academy of Neurologic Communication Disorders and Sciences

Member

2017- present

Evidence-Based Clinical Research Committee Member

2020-present

- Assist with reorganization of the ANCDs website with special focus on translating research into clinical practice

Board Certification Committee Member

2022-present

- Review case studies and oral defense for candidates of board certification by ANCDs

ASHA Special Interest Group 2 Neurogenic Communication Disorders

Member

2014-present

Professional Development Committee Member

2019- present

- Cultivate ideas related to education and outreach for neurogenic communication disorders, including generating seed topics for community discussions and ideas for speakers and topics for ASHA's Annual Convention

ASHA Special Interest Group 13 Swallowing and Swallowing Disorders

Member

2020- present

Texas Speech Language Hearing Association

Annual Conference Planning Committee Medical Chair

2018-2019

EDITORIAL & REVIEW ACTIVITIES

Perspectives of the ASHA Special Interest Group 2 Neurogenic Communication Disorders

Guest Editor

2019- 2021

- Identified specialists across the nation in the evaluation and treatment of cognitive and communication disorders for patients with brain tumors for a special issue in the *Perspectives* journal

Neuro-Oncology Practice, Ad Hoc Reviewer
2018

PUBLICATIONS

Peer Reviewed Articles

1. **Payne, J.** & Wood, C. College Students' Perceptions of Attributes Associated with Autism Spectrum Disorders, *Communication Disorders Quarterly*, 2016, 37(2), 77-87.

Book Chapters

1. **Payne, J.**, Barringer, D., & Lewin, J., Rehabilitation of Speech and Swallowing Patients with Tumors of the Skull Base, *Comprehensive Management of Skull Base*, 2nd Edition, New York, New York, Thieme, 2021, *In Press*.

PRESENTATIONS

Invited Presentations

1. "Evaluation and Rehabilitation of Speech, Language, Cognition, and Swallowing in Patients with Brain Tumors." American Speech-Language-Hearing Association, On-line Oncology Symposium, 2019 and 2020.
2. "Cognitive Deficits in Cancer Patients." 2nd UT MD Anderson Cancer Center / TIRR Memorial Hermann Cancer Symposium: Shifting Paradigms in Cancer Rehabilitation. Houston, TX, 2019.
3. "Dysphagia in Patients with Skull Based Tumors." University of Texas MD Anderson Cancer Center Brain and Spine Center, Annual Kempfer Functional Neuroanatomy Seminar. Houston, TX, 02/2014 & 02/2015
4. "Swallowing Dysfunction in Patients with Cervical Spine Tumors." Poster Presentation. University of Texas MD Anderson Cancer Center, 6th Annual Spine Tumor Patient Education Conference, 09/2015

Conference Presentations

1. "Language Therapy for Adult Brain Tumor Survivors: A Review of Case and Small 'n' Studies." Poster Presentation. American Speech-Language Hearing Association Annual Convention. Boston, MA, 11/2018
2. "Skull Based Tumors: Rehabilitation of Speech and Swallowing." Texas Speech-Language Hearing Association Annual Convention, Houston, TX, 02/2018

3. "Brain Tumors: Evaluation and Rehabilitation of Speech, Language, and Cognitive Impairments." American Speech-Language Hearing Association Annual Convention. Los Angeles, CA, 11/2017
4. "Brain Tumors: Evaluation and Rehabilitation of Speech, Language, and Cognitive Impairments." Texas Speech-Language Hearing Association Annual Convention, Austin, TX, 02/2017
5. "College Students' Perceptions of Autism Spectrum Disorders." Poster Presentation. American Speech-Language Hearing Association Annual Convention, Atlanta, GA, 11/2012.

Hospital Multidisciplinary In-Services

1. "SLP's Role in Diagnosis & Management of Multiphase Dysphagia," Tampa General Hospital, Gastroenterology, 4/2022
2. "Speech-Language Pathology." Cleveland Clinic Florida, Neurology & Neurosurgery Nursing Staff, 4/2020
3. "Establishing an Awake Craniotomy Team-Proposal for Standardized Cognitive-Linguistic Brain Mapping." UT MD Anderson Cancer Center, Neurology, Speech-Language Pathology Core Curriculum, 6/2018
4. "Speech-Language Pathology: Our Role." UT MD Anderson Cancer Center, Neuropsychology Educational Series, 08/2017
5. "Rehabilitative Therapies." UT MD Anderson Cancer Center, Brain Tumor Education and Support Together (BEST) Group, 09/2014 & 04/2017
6. "Aphasia and Cognitive-Linguistic Impairment." UT MD Anderson Cancer Center, Neurology, Neurosurgery, and Rehabilitation Inpatient Clinical Nursing Staff, 09/2014 & 06/2016
7. "Communication Strategies for Patients with Speech and Language Disorders." UT MD Anderson Cancer Center, Psychiatry Educational Lecture Series, 05/2016
8. "Dual-Hemisphere Repetitive Transcranial Magnetic Stimulation (rTMS) for Rehabilitation for Post Stroke Aphasia: A Randomized, Double Blind Clinical Trial." UT MD Anderson Cancer Center, Physical Medicine and Rehabilitation Medicine Physicians Journal Club, 09/2014

TEACHING EXPERIENCE

Teaching Activities

1. Teaching Apprentice, CSD 3040: Neuroanatomy, Dr. Erica Friedland, NOVA Southeastern University, B.S. in Speech, Language, and Communication Disorders, 01/03/2021-05/01/2021
2. Teaching Assistant, Clinical Phonetics, Dr. Hall-Mills 10 hours/week. Graduate students of Florida State University, 01/2013-05/2013 & 01/2012-05/2012
3. Teaching Assistant, Neurologic Basis of Communication, Dr. Kerry Lenius, 10 hours/week. Graduate students of Florida State University, 08/2012-12/2012 & 08/2011-12/2011

Graduate Students

1. SPA 6505, Speech-Language Pathology Practicum, University of South Florida, Spring 2022
2. SPA 6505, Speech-Language Pathology Practicum, University of South Florida, Fall 2021
3. SPA 6505, Speech-Language Pathology Practicum, University of South Florida, Summer 2021
4. SLP 6102, Speech-Language Pathology Clinical Practicum, NOVA Southeastern University, Fall 2020,

Guest Lectures

1. "ANCDS Case Study: Aphasia in Patient with Brain Tumor & Stroke," ASHA SIG 2 Meeting, 4/2022
4. "Neurology of Speech," CSD 3040: Neuroanatomy, NOVA Southeastern University, 3/2022
2. "Board Certification in ANCDS," Speech Pathology Graduate Class, University of South Florida, 2/2022
3. "Dysphagia Treatment." Florida Atlantic University, Dysphagia Master's Level Class, 11/2021
4. "Medical Speech-Language Pathology." University of South Florida, SLP Master's Practicum Course, 9/2021
5. "Medical Speech-Language Pathology." University of Northern Colorado, Medical Aspects ,10/2020
6. "Medical Speech-Language Pathology." NOVA Southeastern University, Medical Aspects Master's Level Class, 4/2020
7. "Dysphagia Treatment." Florida Atlantic University, Dysphagia Master's Level Class, 10/2020
