Clinical Background/Employment History

Visiting Assistant Instructor, Speech-Language Pathologist | June 2021 - Present

Department of Communication Sciences and Disorders at the University of South Florida, Tampa, FL
Outpatient therapy and diagnostic services provided by student clinicians under direct supervision of clinical instructors (SLP) at the USF Speech-Language Clinic.

- Clinical Instruction in the Voice, Fluency, Neurogenics practicum focused on clinical care of adult and geriatric populations.
- Provides instruction, mentoring, and supervision to graduate student clinicians during skilled evaluation and treatment of adults with communication, cognitive, and swallowing disorders.
- Promotes use of evidence-based practice through education and exposure to clinical resources.
- Documentation of student progress using ASHA KASA standards, and written feedback on professionalism, documentation/clinical writing, and clinical problem-solving skills.
- Collaboration with peers/colleagues with various clinical specialties during clinical instruction and when providing diagnostic and intervention services.
- Develops content and leads weekly group simulation meetings with VFN team to support synthesis of knowledge learned in academic courses with clinical skills.
- Clinical care provider at USF Health Neurology Multidisciplinary ALS Clinic (Director: Dr. Tuan Vu, MD)
- Collaboration with USF Health Neurology specialty clinics and SLP at USF Health ENT to promote continuity of care, including clinical coverage at Huntington's Disease specialty clinic.
- Service to USF CSD Department including NSSLHA Advisor, attendance to faculty and clinic meetings, search committees for clinical instructors (4 positions) and clinic director, additional grader for SPA6564.001F22.88167 *Seminar in Aging, Cognition, and Communication* course in Fall 2022.

Speech-Language Pathologist | Fulltime: December 2015 – May 2021, PRN: June 2021-May 2022

Bannasch Institute for Advanced Rehabilitation Medicine at Lakeland Regional Health, Lakeland, FL
Adult intensive inpatient rehabilitation program for stroke, traumatic brain injury, spinal cord injury, neurological conditions, cancer, cardiac and pulmonary conditions.

- Advanced Clinician via Clinical Ladder program
- Provided direct patient care (evaluation/intervention) and attended interdisciplinary team conferences for discharge planning
- Preceptor for onboarding clinicians and acute care clinicians completing cross-training | March 2016 - May 2021
- Clinical Fellowship Mentor | January 2020 - October 2020
- Collaboration with administrative and clinical team members for program development including: modification of SLP clinical pathways as indicated (based on evidence support in the literature), writing Standards of Practice, and designation of lead clinician for documentation optimization on Cerner platform
- Pursued leadership as Inpatient Rehab Unit Based Council chair to facilitate mutual problem solving in order to make improvements for patients, family members, and staff
- Actively participated in Inpatient Rehab CARF survey (2019), including direct interview by surveyors regarding facility policy/procedure
- Facilitated stroke support group on unit
- Consulting clinician for TBI research project completed by Trauma APRN | 2020 - 2021
- Provided coverage in acute care setting for swallow and cognitive-communication evaluations and intervention as needed

Speech-Language Pathologist | February 2015 - December 2015

Accomplish Therapy, LLC. at Community Care Center in Plant City, FL

Skilled Nursing, Rehabilitation and Long-Term Care Facility

- Completed screenings, comprehensive evaluations, and implemented individualized treatment plans for patients with a variety of communication, cognitive, and swallowing disorders
- Developed Restorative Programs and Individualized Exercise Programs to promote carryover of skills after discharge
- Attended patient/family/caregiver conferences to provide updates related to SLP services
- Provided staff training/education related to SLP-specific topics

Speech-Language Pathologist, Clinical Fellow | February 2014 - February 2015

Therapy Management Corporation at Florida Presbyterian Homes, St. Mark Village, and John Knox Village

Lakeland, Palm Harbor, and Tampa, FL

Clinical Fellowship Supervisor: Diane Quinney, M.A., CCC-SLP

Continuing Care Retirement Communities: Inpatient and Outpatient Rehabilitation

- Provided skilled SLP services under supervision/instruction of CF Supervisor in 1-2 facilities per day (travel as needed to meet regional service needs)
- Completed screenings, comprehensive evaluations, and implemented individualized treatment plans for patients with a variety of communication, cognitive, and swallowing disorders
- Developed Restorative Programs and Individualized Exercise Programs to promote carryover of skills after discharge
- Provided staff training/education related to SLP-specific topics

Graduate Teaching Assistant | August 2012 - August 2013

University of Central Florida in Orlando, FL

Assistant to Professors Dr. David Ratusnik and Dr. Thomas Mullin for the following courses:

- SPA 3104 Neural Bases of Communication
- SPA 4476 Speech Disorders Across the Lifespan
- SPA 4803 Research Methods in CSD (undergraduate course)
- SPA 6805 Research in Communicative Disorders (graduate course)
- SPA 4032 Audiology
- SPA 4326 Hearing Across the Lifespan

Presentations

Living Your Legacy: Embracing Student Diversity through Clinical Education, Session #113

FLASHA Convention 2022, St. Petersburg, FL | July 2022

Presenters: Mikkelson, N., Gorajec, K., **Glass, E.**, Ahmed, M., Crain, C., Mock, F., and Gutierrez, E.
